OFFICE OF ILLINOIS STATE ENTOMOLOGIST.

THIS IS TO CERTIFY, That the growing nursery stock and premises of F. S. Phoenix, situated at Bloomington, Illinois, have been inspected according to the provisions of an "Act to Prevent the Introduction and Spread in Illinois of the San Jose Scale and Other Dangerous Insects and Contagious Diseases of Fruits," approved and in force April 11, 1899, and that no indications have been found of the presence of the San Jose Scale, or other dangerous insect or plant disease. This certificate is invalid after June 1, 1902.

Urbana, Illinois, July 11, 1901.

S. A. FORBES,
State Entomologist.

PHOENIX TREES HAVE BEEN PLANTED AND TESTED FOR FIFTY YEARS.

TERMS CASH. Remit by postal or express order or bank draft, payable to the order of F. S. PHOENIX. Stock shipped C.O.D. when one-half cash is advanced.

PRICES, except noted, are for first-class stock. *Rates on larger quantities than herein quoted will be given on application.* Five furnished at the 10 rate, fifty at 100, five hundred at 1,000. On wholesale orders I reserve the right to select varieties, but always adhere as closely as possible to instructions. *Long specified lists are subject to special prices.*

ORDERS. Write separate from letter. State:

1. Variety, number, size, or age of stock.
2. Mode of shipment—mail, express or freight.
3. **WRITE YOUR NAME AND ADDRESS PLAINLY.**

PACKING is done in boxes or burlaps, with moss and straw, for which a moderate charge is made.

SHIPPING generally begins October 1 and March 1. To the south we ship from frost-proof cellars all winter. Bloomington is a great railroad center, thus affording competition in rates. The express companies here are the United States and American. After delivery of stock at the railroad depot or express office, my responsibility ceases. All claims for rebate must be made within six days after receipt of stock.

GUARANTEE. All stock is sold and warranted true to name on the sole and express conditions, that should any prove untrue, it will either be replaced with the genuine variety or purchase price refunded.

DEALERS wishing to pack here will find my facilities first-class.

CORRESPONDENCE SOLICITED.

This list abrogates previous quotations.

For telegraphing, use nurseryman's telegraphic code. Address all letters to
